

# To ALL THE DIEPPE RAIDERS

I would like to thank you all for your friendship with Neville. He used to use my house as a base for setting off from Newhaven, & return to collect all his clean washing on his way home!!

I think I have lived "The Raid" as much as most of you. Didn't he stop a Jerry from leaving empty during a strike many years ago?

Thank you all those who attended his funeral - a massive turnout where I actually put a face to the names of some of you

Have a good trip - I hope the weather improves

Best wishes
